MY2009 X3 SAV

BMW Canada Inc. is pleased to provide you with complete product information for the 2009 BMW X3 SAV.

SINGLE MODEL STRATEGY

MY2009 marks the first year in Canada with a single model strategy. Starting from 09/08 production, the X3 SAV will be available exclusively as the X3 xDrive30i.

NEW NAMING

Consistent with the naming recently introduced on the new BMW X6, the single X3 model will now be referred to as the BMW X3 xDrive30i and be consistent with the entire X family for MY2009. Benefits of this new naming strategy include a greater emphasis on the xDrive name and technology, as well as the ability to align and more easily recognize performance across the model ranges (i.e. 30i, 35i, 50i). The new model name will be easily recognized via new XDRIVE30i badging on the front fender.
