35	More about BMW
38	Technical data

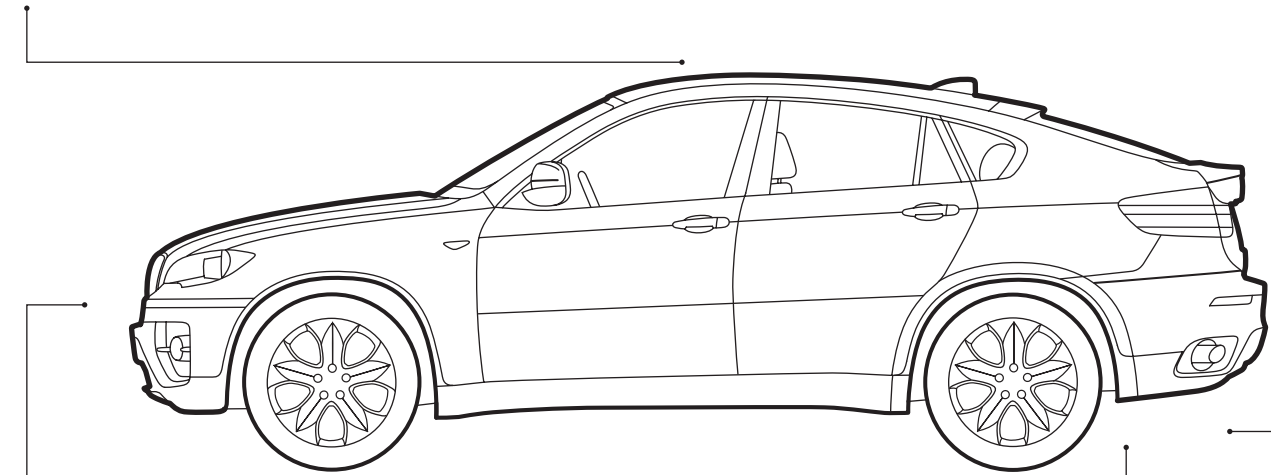

This is how much has gone in.

The pleasure you get from driving a BMW is the result of fine engineering – always setting the benchmark because it is based on much more than engine power. This is the thinking behind BMW's programme of EfficientDynamics. A change in philosophy, this programme of technologies helps to make positive changes in reducing CO₂ emissions and improving fuel consumption whilst enhancing driving dynamics. Changes for both today and tomorrow. Today's solutions include Brake Energy Regeneration, an innovative process for harnessing energy previously lost. As for tomorrow – even more advanced technologies to improve emissions and fuel consumption as we move towards BMW's vision of CleanEnergy and the use of hydrogen-powered engines. Nothing lost, but much gained. BMW EfficientDynamics: pushing the boundaries in terms of performance and dynamism – without compromise.

Lightweight Engineering

Our engineers use aluminium and high-grade thermoplastic where lighter materials are more expedient, for instance in the front section or for the suspension. The six-cylinder in-line petrol engine is composed of aluminium and magnesium, making this engine the lightest in its class. These weight savings lead to lower fuel consumption and better axle load distribution for more agility, especially in bends. (Standard on all models.)

Active Aerodynamics

Engine management signals the engine's current cooling capacity requirements constantly while driving. Rendering a permanent airstream through the radiator unnecessary. The air vents in front of the radiator open or close depending on the environmental temperature and road speed. When shut they improve aerodynamics, shorten the engine's warm-up time and so reduce fuel consumption. (Standard on all models.)

Brake Energy Regeneration

The alternator disengages automatically when the battery is fully charged, only re-engaging when the battery needs charging. In addition, the system engages automatically when the car's brakes are applied or when coasting, to recycle otherwise wasted energy. (Standard on all models.)

And this is what comes out.

BMW already offers 80 models* with CO₂ emissions of 140g/km or less. But that's just for starters. We're carrying on our research – in the quest to bring you more driving pleasure and less consumption.

* In the UK and Republic of Ireland.

Certain BMW EfficientDynamics features may be excluded depending on the optional equipment chosen. Your BMW Dealer will be pleased to provide you with more information.

BMW X6.

Model	Power output (hp)	0-62mph (secs)	Combined fuel consumption (mpg)	CO ₂ emissions (g/km)	VED band	Insurance group

Prices and specifications

BMW (UK) Limited reserves the right to alter prices and specifications without notice. BMW (UK) Limited has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions.

Key Insurance group figures refer to – 20 Group Rating System / 50 Group Rating System.

VED rates

Annual VED rates for brand new cars are determined by their CO₂ emission figure. BMW X6 models fall into one of the two categories listed below:

CO ₂ emissions g/km	Band K 201-225	Band M 256+
Vehicle Excise Duty	£215	£405

On the road price

The recommended on the road price includes:

Delivery and BMW Emergency Service	£655
Number plates	£25
Vehicle first registration fee	£55
Vehicle Excise Duty (12 months)	See left

X6 xDrive35i

Engine

- Catalytic converter
- Digital Motor Electronics (DME)
- Double-VANOS
- EU5 emissions management
- Light alloy engine block and cylinder head
- Six-cylinder in-line engine petrol with high-precision direct injection
- Twin-turbo, each serving three cylinders
- VALVETRONIC engine management

Transmission

- Dynamic Performance Control utilising rear axle variable torque distribution system, with display in instrument cluster
- Six-speed automatic transmission with electronic gear selector and Steptronic
- Steering wheel-mounted gearshift paddles in Pearl-gloss chrome
- xDrive four-wheel-drive system with fully-variable torque split

Wheels and chassis

- 19" light alloy Star-spoke style 232 wheels
- Disc brakes front and rear, ventilated:
 - Front – 365mm x 36mm
 - Rear – 345mm x 24mm
- Double-wishbone front axle
- Electro-mechanical parking brake with auto-hold function
- Power-assisted steering, hydraulic
- Sport suspension

Safety and technology

- Airbags comprising:
 - Crash sensor activating central locking release, hazard warning lights, interior lighting with fuel and main battery cut-off
 - Driver, front passenger, front and side
 - ITS head airbags, front and rear
 - Passenger seat airbag deactivation, front
- Alarm system (Thatcham 1) with remote control and engine immobiliser
- Anti-roll bars, front and rear
- Brake Force Display
- Child locking system, rear doors
- Cruise control with brake function
- Deformation zones – front and rear with door reinforcements and bumpers that regenerate to their original shape in impacts of up to 2.5mph (4km/h)
- Dynamic Stability Control Plus (DSC+) comprising:
 - Anti-lock Braking System (ABS)
 - Automatic Differential Brake (ADB-X)
 - Automatic Stability Control (ASC-X)
 - Brake Drying
 - Brake fade compensation
 - Brake pre-tensioning
 - Cornering Brake Control (CBC)
 - Dynamic Brake Control (DBC)
 - Dynamic Traction Control (DTC)
 - Electronic Brake-force Distribution (EBD)
 - Hill Descent Control (HDC)
 - Hill-start assistant
- First Aid kit and warning triangle
- Foglights, front and rear
- Follow-me-home headlight function
- Head restraints front and rear, height adjustable and removable (anti-whiplash and tilt adjustable in front)
- High level third brake light
- Park Distance Control (PDC), front and rear
- Rain sensor with automatic headlight activation
- Run-flat tyres with Tyre Puncture Warning System (TPWS)
- Seat belts – front inertia reel with pyrotechnical belt latch tensioner, belt force limiter, belt restrainer and manual height adjustment
- Seat belts – rear, with two inertia reels
- Side impact protection
- Visible VIN
- Wheel bolts, locking
- Xenon headlights

Seats

- 60:40 split-folding rear seat
- Child seat ISOFIX attachments, two in rear
- Seat adjustment – front, part-electric
- Twill cloth upholstery
- Two individual rear seats with integrated rear console and folding centre armrest

Exterior equipment

- All round anti-corrosion system with partial hot galvanising, phosphate treatment and cathodic dip paintwork, preservation of hollow cavities, underfloor protection
- Central locking system covering all doors, tailgate and fuel filler flap, with two remote control units including personal profile settings
- Door handles, rain channel, rear spoiler and roof moulding, body-coloured
- Downlights in exterior door handles
- Exhaust tailpipes – single, left and right, chrome
- Exterior mirrors – aspheric, tinted, heated, electric adjustment and part body-coloured
- Exterior trim, Matt Black
- Illuminated light rings, functioning as welcome lights, parking lights, daytime running lights and side lights
- Indicator lenses, clear
- Kidney grille, chrome with black vertical slats
- Metallic paintwork
- Tailgate, powered – one piece with intermediate stop function and sill finisher in stainless steel
- Windscreen washer jets, heated

Interior equipment

- Air conditioning, automatic with two-zone control
- Ambient lighting in amber, in front and rear roof consoles
- Armrest – front, with storage compartment
- Courtesy lights, front and rear with soft on/off dimming
- Cup holders, front and rear
- Electric windows – front and rear, with open/close fingertip control, anti-trap facility and comfort closing function all round
- Floor mats, velour
- Footwell lights, front and rear
- Glove compartment, centrally-locked and illuminated
- Instrument binnacle with speedometer, tachometer, fuel level and coolant temperature gauges
- Interior trim, Dark Bamboo wood
- Knee pads on centre console for driver and front passenger, upholstered in line with seat selection
- Luggage compartment cover, foldable and removable

Interior equipment (cont.)

- Luggage compartment lights in the tailgate
- Power socket, one 12V in luggage compartment
- Reading lights, front and rear
- Rear-view mirror, automatically dimming
- Securing rings in luggage compartment, four
- Smoker's package
- Sport leather steering wheel, three-spoke with multi-function and gearshift paddles
- Start-Stop button
- Steering column with manual reach and rake adjustment
- Storage compartments in interior door panels with anti-slip mats, illumination in amber
- Sun visors with illuminated vanity mirrors
- Toolkit located in luggage compartment
- Windows – heat-insulated, green-tinted all round
- Windscreen with grey shade band

Audio and communication

- Auxiliary input point for auxiliary playing devices
- BMW Professional radio with single CD player (with MP3 playback capability)
- CD changer preparation
- Control Display – 6.5" colour display screen
- Favourite buttons
- iDrive Controller on centre console with shortcut buttons
- Loudspeaker system with six speakers
- On-Board Computer (OBC) comprising:
 - Average speed
 - Fuel consumption and range
 - Outside temperature display

X6 xDrive50i
Equipment in addition / replacement to xDrive35i

- 19" light alloy V-spoke style 257 wheels
- Disc brakes – front and rear, ventilated:
 - Front: 385mm x 36mm
 - Rear: 385mm x 24mm
- Exhaust tailpipes – single, left and right, chrome, angular
- Exterior trim, Satin Chrome
- Interior trim, Dark Ash wood
- Kidney grille, chrome with titanium vertical slats
- Nevada leather upholstery
- Seat adjustment – front, electric with driver memory
- Self-levelling air suspension, rear
- Twin-turbo, each serving four cylinders
- V8 petrol engine with high-precision direct injection

X6 xDrive30d
Equipment in addition / replacement to xDrive35i

- Diesel Particulate Filter (DPF)
- Digital Diesel Electronics (DDE)
- Disc brakes front and rear, ventilated:
 - Front – 348mm x 30mm
 - Rear – 320mm x 20mm
- EU4 emissions management
- Incorrect fuelling protection system
- Turbo, with variable turbine geometry
- Six-cylinder in-line diesel engine with common-rail technology

X6 xDrive35d
Equipment in addition / replacement to xDrive35i

- Diesel Particulate Filter (DPF)
- Digital Diesel Electronics (DDE)
- EU4 emissions management
- Incorrect fuelling protection system
- Kidney grille, chrome with titanium vertical slats
- Six-cylinder in-line diesel engine with common-rail technology
- Two-stage twin-turbo, operating sequentially

The most exclusive way to drive a BMW

The higher your standards, the less room there is for compromise. For drivers with the most exacting standards BMW Individual offers a range of stunning and perfectly-crafted materials to ensure that the expression of individuality has never felt so effortless.

A BMW Individual paint finish is more than just a colour, each has its own characteristic brilliance and complexity. Five layers deep, the depth of colour is more sophisticated than the regular metallic paints thanks to special pigmentation. Xirallic or Titanium Dioxide pigments create an iridescent effect which gives the colours an unmistakable brilliance in the light.

Inside, the level of exclusivity can be continued with the distinctive yet subtle tones of BMW Individual Merino leather. A painstaking refinement process ensures that the leather is kept soft and supple, retaining a unique feel throughout its life as well as meeting the practical demands of a luxury car. And just to complete the interior, you can choose from the hand-picked wood trims that ensure the perfect grain every time.

Let yourself be inspired with BMW Individual.

BMW EfficientDynamics

Active Aerodynamics	●	●	●	●	Std
Brake Energy Regeneration	●	●	●	●	Std
High-precision direct injection	●	●	-	-	Std

Certain BMW EfficientDynamics features may be excluded depending on the optional equipment chosen. Your BMW Dealer will be pleased to provide you with more information.

Wheels and chassis

Active Steering217	○	○	○	○	£890
Electro-mechanical system with variable ratio depending on road speed and yaw angle – provides maximum response with minimal steering wheel movement during low speed manoeuvres and a seamless transition to less response at high speeds for comfort and stability. Includes Servotronic, which provides comfortable effort at the wheel at all road speeds and minimum effort at parking speeds. The Active Aerodynamics element of BMW EfficientDynamics will be removed when this option is specified.					
Adaptive Drive2VA	○	○	○	○	£2,250
Includes Electronic Damper Control and Dynamic Drive, to maximise stability and comfort through reduced body roll in all conditions. Includes two driver-selectable settings: Normal / Sport. The Active Aerodynamics element of BMW EfficientDynamics will be removed when this option is specified.					
Self-levelling air suspension, rear220	○	●	○	○	£545
Air springs replace steel springs on the rear axle, to ensure vehicle ride height remains level under loaded conditions. Increases payload from 600kg to 650kg.					

Safety and technology

Adaptive headlights524	○	○	○	○	£370
Headlight aim follows road ahead through a link with steering angle and yaw angle. Deactivated in reverse gear or when applying steering lock whilst stationary, to prevent dazzling oncoming traffic. Includes turning lights in the front foglamps activated via steering angle.

Services and Benefits.

Warranties

Every BMW registered is protected by a Dealer Warranty, which provides cover for 3 years’ unlimited mileage. In addition, every BMW is covered by an unlimited mileage, twelve years’ anti-corrosion warranty and three years’ paintwork warranty.

Full details of these warranties are available from your BMW Dealer and are provided in the BMW Warranty and Emergency Service Handbook.

BMW Emergency Service

BMW Emergency Service is the only roadside and assistance programme designed specifically for BMW vehicles offering an exceptional range of benefits and services. It is available 24 hours a day, 7 days a week and utilises a dedicated fleet of BMW Approved Technicians, equipped with Genuine BMW Parts and tools, ensuring that you and your vehicle receive the best possible care in the event of any motoring emergency. This tailor-made programme has been specifically designed to meet the needs of BMW drivers travelling in the UK and Continental Europe giving complete reassurance and peace of mind. Every new BMW is covered for three years.

BMW Magazine

Every new BMW customer receives a complimentary subscription to BMW Magazine. This lifestyle publication features all the latest news and developments from BMW, including interesting interviews, sporting news, travel experiences and art stories.

Finance and Insurance from BMW.

BMW Financial Services

Chances are, you’ve already decided on the BMW you want to drive. Now discover the perfect finance solution to get you behind the wheel. BMW Financial Services offers a range of tailor-made finance packages to suit you and your budget.

And to help you, at every BMW Dealership, there’s a Financial Services Specialist – a dedicated expert who’ll find the perfect solution for you. They’ll talk you through the options and help you come to the right decision.

Our comprehensive range of finance and insurance products include:

- **BMW Select (Personal Contract Purchase)**
- **BMW Hire Purchase**
- **BMW Contract Hire**
- **BMW Car Insurance**
- **BMW Home Insurance**
- **BMW Travel Insurance**

For details of your local BMW Dealer, please call 0870 5050 150. Further information on our finance products can be found at www.bmw.co.uk

Finance is subject to status and available to over 18’s in the UK only (excludes the Channel Islands). Guarantees and indemnities may be required. Finance is provided by BMW Financial Services, Europa House, Bartley Way, Hook, Hampshire, RG27 9UF.

BMW Car Insurance

Driving a BMW shows that you refuse to compromise on the quality of your car so why should your car insurance be any different? Designed for you, BMW Car Insurance offers cover that can help give you peace of mind.

Call BMW Car Insurance today on 0870 0240 520.

Lines open 8am – 8pm Monday to Friday, 9am – 5pm Saturdays. Max call charge from a BT landline is 8p a minute. Calls from other networks may vary.

BMW Car Insurance is underwritten by UK Insurance Limited. The Wharf, Neville Street, Leeds, LS1 4AZ, which is authorised and regulated by The Financial Services Authority.

BMW ConnectedDrive.

BMW ConnectedDrive provides telematic and Online services that are fully integrated with your navigation and Bluetooth telephone system. The services provide you and your passengers access to key information from within the vehicle, helping you keep safe and in touch.

Emergency 999 SOS call

The emergency SOS call provides a direct link to a 999 emergency call centre. This call can either be activated manually, or in extreme situations the sensors in the vehicle will automatically make the call and transmit your location to the emergency services. In either instance you can be assured that help can be despatched without delay.

Breakdown call

Roadside breakdown assistance is never far away because with BMW ConnectedDrive your vehicle will have a direct link to the BMW Service Centre. This link automatically provides the operator with your vehicle details and position so that a BMW Approved Technician can be despatched quickly and easily.

Information Plus

At the push of a button local information is available wherever you may be in the country, using the Information Plus service. The service is available 24 hours a day, seven days a week and connects you to an operator who will be able to quickly access the information you need. You can request places of interest, from hotels and restaurants to museums or historical attractions. The information is then sent to your car and can then be used in your navigation system to plan a route to your destination, or to make a call on your Bluetooth telephone.

My Info

As a BMW ConnectedDrive customer you will be able to access an internet website from where you, or others, can send information to your vehicle. Multiple addresses and telephone numbers can be sent to your vehicle, they can then be transferred into your navigation system or your Bluetooth telephone. Using the My Info service you can also send residential addresses or business listings via Google Maps. When you have found a place of interest or entered the address in the map, there is a send-to-car function on the website, this will send the address and telephone number to your vehicle.

Remote Services

Remote Services provides you with the facility to contact the BMW Service Centre, who can remotely lock or unlock your vehicle. You will be required to activate your vehicle and set-up your own personal security questions within the ConnectedDrive website. After you have set-up the service, should you be in a situation where you have accidentally locked your keys in the car, the BMW Service Centre will be able unlock your vehicle. Likewise, if you are not near your car and you cannot remember if you have locked your car, our call centre can remotely lock the vehicle for you.

Extended News and Weather

BMW ConnectedDrive provides you with access to a WAP-based browser which connects to the BMW Online portal. The portal displays the latest Weather forecast and Extended News stories from categories such as World, Business and Sports news.

My News

From your BMW Online portal, My News provides you with a selection of the latest news from internet sources, which can be defined as you desire. Through these RSS news feeds, titles and short summaries of news items from websites will be visible directly in the Control Display of your BMW. This gives you quick access to your favoured news topics and enables you to keep in touch.

Google local search

With the Google local search you can access location based information via Google Maps, from the BMW Online portal in the car. Information such as hotels and restaurants can be requested at the current vehicle location, navigation destination or at any other specific location. The content is taken directly from live Google Maps information. Search results appear in a list format, the addresses can be transferred into the navigation system or the telephone number can be transferred to a Bluetooth telephone. Some search results contain additional information such as opening hours, car park details or pictures of the location.

Routes

With Routes you have the facility to import a route with multiple stop-off points into the navigation system. BMW Routes provides a number of default routes across Europe for you to import in your car via BMW Online. My Routes allows you to configure your own routes on the ConnectedDrive website. They can be saved onto a USB memory stick and you can import them directly into your vehicle. This provides you with the facility to plan a trip from comfort of your own home.

BMW ConnectedDrive website

As a BMW ConnectedDrive customer you will have access to an internet website with a route planner, traffic information and text message service. The website provides a link to your vehicle by allowing you to send information to your car. You can also modify your news links for My News, or set-up Remote Services for your car. Additional services such as profile settings and a handy help page are also featured.

A three year BMW ConnectedDrive subscription is included with every vehicle equipped with an optional Navigation system – Professional Multimedia (609) and Bluetooth telephone preparation with telematics (633) or with a Media package (ZXW). In conjunction with Bluetooth telephone preparation with telematics (633), unlimited use of BMW ConnectedDrive is included within the subscription.

In the UK ConnectedDrive services require a connection to a UK mobile telephone network. Services are not available on the Isle of Man or the Channel Islands. Some services are available in other European countries, refer to your BMW dealer for more details. Terms and conditions apply.

Aftersales.

BMW Service Inclusive

Wouldn't it be good to know all your servicing costs in advance? Well, that's exactly what BMW Service Inclusive provides. Once you have decided which of the options best suits your needs, you can simply relax, and look forward to enjoying care-free driving, courtesy of BMW Service Inclusive.

BMW Service Inclusive lasts for 5 years or 60,000 miles (whichever occurs sooner), so all you need to do is decide which option suits you best. BMW Service Inclusive – covering all your vehicle's servicing requirements or BMW Service Inclusive Plus which in addition to servicing also covers maintenance items such as brakes pads, brake discs and windscreen wipers.

Furthermore, BMW Service Inclusive is transferable to subsequent owners within the time and mileage period, enhancing the resale value of your car.*

BMW X6.

All dimensions in millimetres.

¹ 0-62mph is equal to 0-100km/h.

² The petrol engines are designed for RON 98 grade fuel. They can be run on fuel down to RON 91 (for xDrive35i RON 95-98) with a decrease in power.

³ The petrol engines meet the EU5 emissions standard, the diesel units comply with the EU4 standard (N1–G3). Fuel consumption is determined in accordance with the ECE driving cycle made up of approximately one third urban and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption. Fuel consumption is determined for vehicles with standard equipment. Optional equipment (such as wider tyres) can have a significant impact on fuel consumption and on performance.

⁴ The figure quoted includes a 90 per cent tank filling, 68kg for the driver and 7kg for luggage. Unladen weight applies to vehicles with standard equipment. Optional equipment may increase this figure.

⁵ The overall weight of the trailer may not exceed the maximum permissible trailer load plus the maximum permissible towbar download. Based at 12% / 8%.

⁶ Electronically limited.

⁷ In conjunction with 330, Dynamic package.

⁸ Height of car with optional roof rails: 1,699mm.

Measurements in () apply to vehicles fitted with the optional glass sunroof.
